Monipuolisesti muuntuvan Band-sohvamallin moduuleista voit rakentaa juuri omiin tarpeisiisi sopivan kokonaisuuden.

Sohvan runsaat, höyhen/vanutäytteiset istuin- ja selkänojatyyntyt tekevät Bandista kotisi pehmeän pesän. Käsinojamalleja on kaksi, keveämpi kapea malli ja klassinen leveä käsinoja, joka toimii myös selkänojana kulmasohvassa.

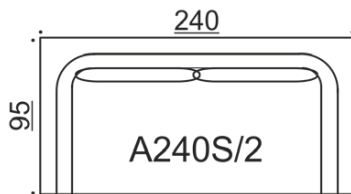

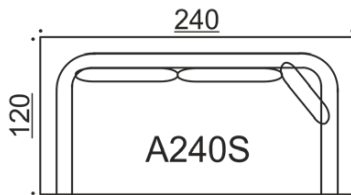

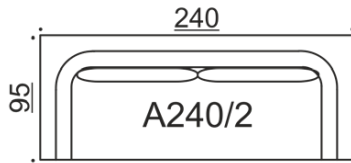

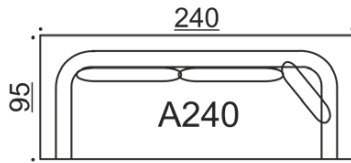

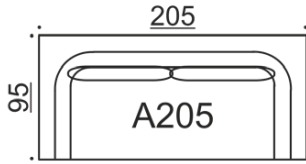

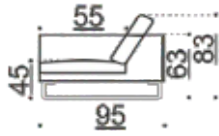

Band-sohvassa on irrotettava kangasverhoilu. Irtopäälliset helpottavat sohvan puhdistamista ja tekevät sen ilmeen päivittämisestä helppoa. Sisustuksen, kodin tai elämäntilanteen muuttuessa voit tilata sohvaasi uudet päälliset, jolloin sen käyttöikä pitenee merkittävästi.
