Bonnet Grand

Design Mats Broberg & Johan Ridderstråle

The round and generously shaped frame and soft fluffy cushions make Bonnet Grand an inviting, cosy nest that you want to spend the whole evening in. Bonnet Grand is larger than other products in the Bonnet family, but also softer and homelier.

Bonnet Grand sofa is available in two widths – the new version, which is a more compact, smaller size (179 cm wide) and the original large size (219 cm wide).

Measurements

All measurements +/- 3 cm

Decorative cushions from the same fabric as the product are included in the price.
